PETITION FOR LEAVE TO AMEND AND AMENDMENT

Fahlda Broadcasting Company, A California Limited Partnership ("Fahlda") respectfully petitions to amend its application to report that the release of Eugene Walton, FCC 91D-8 (released March 1, 1991). One of the applicants in Walton, Novella Broadcasting Company, L.P. ("Novella"), shares with Fahlda the same limited partner, A.H.A.B. Family Trust. Although Novella was found basically qualified in Walton, its application was denied. While Fahlda does not believe it is required to report the Walton decision, it does so out of an abundance of caution in order to honor both the letter and spirit of §1.65 of the rules. Fahlda notes that Walton is not a final order. See 47 CFR §1.276(a)(1).

Acceptance of the amendment is appropriate under the good cause standard articulated in Erwin O'Conner Broadcasting Co., 22 FCC2d 140, 143 (Rev. Bd. 1970). No new issues or parties need to be added by virtue of the filing of the amendment, and no additional round of pleadings need result from acceptance of the amendment. Finally, no comparative advantage would derive from acceptance of the amendment.

Therefore, good cause having been demonstrated, the Presiding Judge should grant this motion and accept the amendment. The supportive declaration of Fahlda Nelson is appended thereto.

PETITION FOR LEAVE TO AMEND AND AMENDMENT

Peaches Broadcasting, Ltd., ("Peaches") by counsel,
respectfully petitions to amend its application to update Exhibit
1 (Media Interests) to its application. The amendment
specifically updates the media interests of Dr. James Freemont, a
16.67% stockholder in Peaches' limited partner United
Communications, Inc. ("UCI") and a 50% equity holder and sole
limited partner in TFB Associates Limited Partnership ("TFB"). TFB
was an applicant for an FM construction permit to serve
Hogansville, Georgia, MM Docket No. 90-52, File No. BPH-880602NB.
This amendment reports that pursuant to Judge Kuhlmann's MO&O, FCC
91M-791 (released February 28, 1991) (approving merger of three
remaining applicants, including TFB, and terminating the
proceeding), TFB has merged its application into that of T. Wood &
Associates, Inc. ("Wood"). TFB has a 33% voting equity interest in
Wood, giving Dr. Freemont, indirectly, a 16.5% equity interest in
the merged entity. TFB remains an insulated limited partnership
pursuant to a written limited partnership agreement meeting the
Commission's requirements as set out in Attribution Rules
(Reconsideration).

This amendment is submitted for \$1.65 purposes to keep the
application current. Accordingly, the attached Amendment should
be accepted and this Petition granted. See Erwin O'Conner
Broadcasting Co., 22 FCC2d 140, 143 (Rev. Bd. 1970).
